

# Meon valley Soaring Association

## MVSA Safety Assessment

Assessment	
1. Answer at least 5 safety questions. ( <i>based on Handbook &amp; Site Rules</i> )	
2. Talk through shape, lift and safety considerations for that slope.	
3. Talk through and carry out full Pre-flight checks of the aircraft.	
4. Talk through your plan for this flight.	
5. Launch the aircraft. ( <i>assistance is allowed</i> )	
6. Give a running commentary during the flight. Carry out manoeuvres as requested by the Assessor.	
7. Talk through your plan for landing, and then land.	
8. Talk through and carry out Post Flight checks.	

Assessor	Name:	Signature:	Date:
Assessment and/or Comments
